

GRADUATION PROGRAM

April 30, 2019

SMALL WORLD PARK

COHORT 15

Message from the Program Manager

“You’ve made it through 16 weeks of assessments, hands on training, learning to work as a team and to function as part of a group gaining marketable knowledge and skills. This is your life use it wisely, step forward in faith and confidence. Everything you need to accomplish your goals is already in you.”

Wishing you the Best!
Ms. Merl

There is an undeniable need to provide vocational training, guidance and community building to a population that needs to work and is not currently prepared to. Future Build provides a minimum of 40 East County young adults annually, with 16+ weeks of pre-apprenticeship training in the building trades, solar theory and installation, construction, and hazardous waste. Future Build provides a “*life changing experience*” for the trainees that leads to re-engagement in the workforce and post-secondary educational opportunities.

Home Builders Institute & Multi Craft Core Curriculum Trainings Plumbing & Electrical

Carpentry & Roofing

NorCal Laborers Certified Trainings

Safety Trainings:

- CPR/First Aid
- OSHA 10
- Confined Spaces
- Traffic Control

All Terrain Forklift

Refinery Safety

Hazwoper 40 Training

Community Benefit Projects - Small World Park Light House

Community Benefit Projects are where the trainees exercise what they have learned in the classroom and lab by improving facilities in public housing projects, rehabilitation of homes for low income residents, schools, and public recreational facilities such as parks.

Laborers Funds Administrative Office
OF NORTHERN CALIFORNIA, INC.

Community Benefit – Solar Installations

What a valuable partnership: Leadership, Hands on Experience , Energy Savings! Free solar installation for qualifying residents. There is no cost to homeowners , however, they are required to provide lunch for the volunteers.

Laborer’s Photovoltaics – Solar Theory

GRID Alternative Solar - Solar Installs

EPA Brownsfield Soil Sampling. Pittsburg Marina

The Carey Brothers's "On the House Home Improvement Show" & Festool Roadshow comes to Future Build! When tools connect with Technology!
